## **The different schools by L, M and C.**

Today we are going to focus on school in the USA , UK , France. Did you know there are differences between France, US and the UK ? For example in France and in the US there's no uniform but in the UK 90% of schools require uniforms. The schoolday is shorter in the UK and the US : students finish at 3 pm while French students 's timetables vary depending on the days. The American students recite the Pledge of Allegiance everyday.

## **And now funny pictures at school**
